Mostly As:

CAPPUCCINO:

You prefer change as monotony bores you. You are always on the lookout for an adventure. You aren't afraid to be a trendsetter. You never miss seeing the silver lining in every cloud. You love to try new things and can be reckless at times. There is no dull moment around you, and your imagination and spontaneity keep everyone smiling.

Mostly Bs:

ESPRESSO:

There are three qualities that describe you perfectly: hardworking, confident and organised. You are an extremely busy individual and might not find time for yourself. Your multitasking abilities and efficiency make you an outstanding leader. You know how to get your work done. With so much work to do, you know what you want and nothing deters you from that path.
